SPONSORSHIP OPPORTUNITIES

SPONSORSHIP PACKAGES

Now in its tenth year, the Montana Film Festival showcases independent films from around the world, engaging our community with remarkable shared cinematic experiences, expanding the possibilities of contemporary cinema, and welcoming our guests to Big Screen Country.

MTFF hosts emerging talents, with special attention paid to Montana's flourishing film industry. We regularly screen features months before their wide release, making MTFF the premier annual event for the state's film-lovers.
